## INSTRUCTIONS

1. Use a pencil or water-based marker to sketch out the designs in the egg cups. We did 4 designs and repeated them: tulip, stripes, flowers, and plain (this one needs no drawing). Next we will paint the egg cups:
2. Apply 3 coats of Chiffon to the space around the tulip.
3. Next, use Pretty In Pink to apply 3 coats to the little flowers.
4. Use Carrot Juice to:
  - Apply 3 coats to the plain egg cup
  - Fill in the tulip with 3 coats
  - Fill in some of the stripes with 3 coats
  - Paint the center of the pink flowers with 3 coats.
5. Next, use Gecko Green to:
  - Fill in the tulip's leaf with 3 coats
  - Fill in some of the stripes with 3 coats
6. Next, apply 3 coats of Guacamole to the stem on each tulip.
7. Paint the remaining stripes with 3 coats of Blush.
8. Use a medium brush to fill in the center of the plate with 3 coats of Chiffon.
9. Paint three coats of Guacamole to the space around the egg cups.
10. Use a pen to transfer the NCR pattern onto the center of the plate. You don't need to transfer the eyes, mouth, and nose yet.

## INSTRUCTIONS

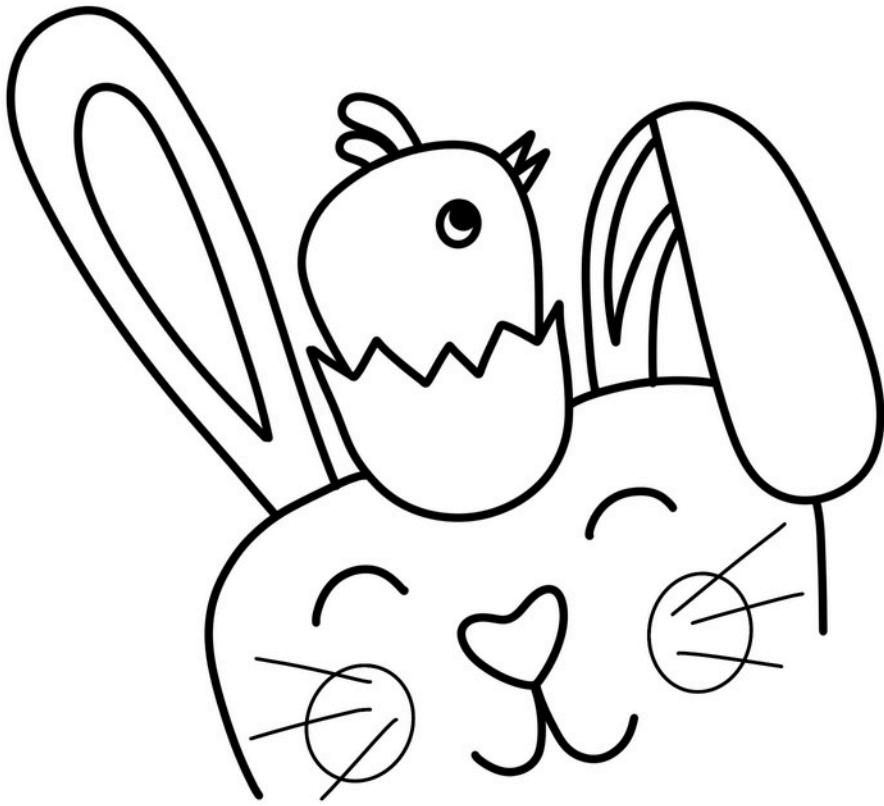

11. Paint the face and the front of the ears with 3 coats of Snowflake.
12. Next, fill in the flopped over ear with 3 coats of Vanilla Bean.
13. Fill in the nose and the inside of the ears with 3 coats of Blush.
14. Use a detail brush to fill in the cheeks with 3 coats of Pretty In Pink.
15. Apply 3 coats of Lemon Mist to the chick.
16. Next, use a detail brush to fill in the beak with 3 coats of Carrot Juice.
17. Use a liner brush to fill in the egg with 3 coats of Guacamole.
18. Fill in the chick's eye with 3 coats of Snowflake.
19. Use a detail brush to add the bunny's eyes and mouth with 2 coats of Licorice. When the chick's eye is dry, add the pupil.
20. Add a small amount of water to Licorice paint, and use a liner brush to add the whiskers. Just one coat is plenty.
21. Finally, flip the plate over and apply 3 coats of Guacamole with a fan brush.

## TIPS

- Pretty in Pink, Blush, and Guacamole are translucent colors. If you paint with a light hand, you might benefit from an additional coat of these colors.
